CITY COMMITTEE FIXES ASSESSMENT

Candidates Must Pay Up by Noon of May the 28th.

PRIMARY PLAN ADOPTED

Voters Must Pledge Themselves to Support Party Nominee at Next General Election.

The City Democratic Committee, at a hurried meeting held last night at Murphy's Hotel, adopted a plan of primary, fixed the assessments upon candidates to defray the expenses of the election, filed two vacancies on the committee, and disposed of some other business.

The assessment upon candidates finally agreed upon is that recommended by the committee, which is as follows: Candidates for House of Delegates, \$55 each; for House of Representatives, \$25 each; for City Democratic Committee, \$25 each; for Mayor, \$50 each. The plan is substantially that usually adopted for city primaries. The only change made in the plan as reported by the committee on plan was to substitute for the words, "The person voting to support the nominees of the Democratic party in the next ensuing general election," the words, "The person voting to support the nominees of the Democratic party in the next ensuing general election, and to support the nominees of the Democratic party in the next ensuing general election."

HER ORDERS WERE NOT CARRIED OUT

Mrs. Lightfoot Explains Why Church at Jamestown Was Closed.

UNVEILING OF SMITH STATUE

Date Changed to September 11th by Request of Rhode Island Delegation.

The central committee of the Association for the Preservation of Virginia Antiquities met yesterday afternoon in the rooms of the Virginia Historical Society.

After the reading of the minutes of the last meeting and the special order of business, the secretary and the treasurer, the chairman of the Jamestown committee took occasion to explain to the association her regret over the only drawback to the entire success and pleasure of the tercentennial celebration at Jamestown Island on May 13th—the fact that the church was closed and the consequent disappointment to many people, who desired to see its interior, and thereby lost an exceptional opportunity to do so.

Mrs. Lightfoot stated that she had given orders for the church doors to be opened early on the morning of May 13th, and for them to remain open until after the last visitor to the island had left. Going directly from the wharf on landing to the speaker's stand, she failed to perceive that her order had not been carried out. As soon as she discovered that the doors were closed she had them opened. No one could have retracted the misarranging of her positive injunctions more than she did. She could only hope that this 1907 year would offer future opportunities for repeating the omission of the tercentennial day.

New Members. Mrs. John H. Southall, chairman of the committee of transportation for the 13th of May, made a most detailed and satisfactory report that was heard with thanks and ordered to be incorporated with the general report of the committee. Mrs. Henry Taylor, Mrs. W. S. Murray and Mrs. C. P. Lee.

Mrs. Robert W. Watkins, of the membership committee, made an exceptionally fine report, giving in the following extended list of new members for the month: Miss M. A. Sharpe; Mesdames C. B. Graham, H. J. Norris, Stephen Deaneur, Joseph B. Russell, Walter L. L. J. S. Peck, Misses Hillhouse and E. P. Bissell; Mesdames B. R. Palmer and A. G. Bullock, Miss Frances Goodwin and Anna T. Canby; Mesdames H. E. Ermat, L. J. Wickham, A. B. Andrews, H. R. Steadman, P. Nazro, Miss E. C. Lee; Mesdames V. T. Christian, A. C. Hill, V. R. Broadhead, Carlton Jackson, Eppa Hunton, Jr. and George R. Frost.

A letter from Mrs. D. W. L. in relation to the unveiling of the Pocahontas Memorial at Jamestown Island on June 25th was read. The Association for the Preservation of Virginia Antiquities will have an excursion on that date and will invite the Commonwealth Chapter, Daughters of the American Revolution, to join them. The steamer Pocahontas will be chartered for the occasion.

On motion of Mrs. W. G. Starnard it was decided to ask the secretary to write a letter to the association to Mrs. Gerard, requesting a copy of her presentation address as president of the Colonial Days of America in turning over the beautiful entrance gates at Jamestown on May 11th.

A committee appointed to draw up forms to be enclosed and a copy sent to Mrs. Gerard, included Miss M. B. Baughman, chairman; Mrs. Tyler and Mrs. H. T. Elyson.

Smith Statue. The day for the unveiling of the John Smith statue, at Jamestown to take place on September 10th was changed to September 11th by request of a Rhode Island delegation desiring to be present.

On this occasion, Mr. W. R. Abbott, of Bellevue, Bedford county, will present the monument. Hon. A. C. Braxton, of Norfolk, will receive it, and Rev. C. B. Bryan, of Petersburg, Va., will make the opening prayer.

"Y" RECEPTION. The Richmond "Y" has interesting meeting with fine program. The monthly reception of the season Tuesday evening, May 21st, at the residence of Dr. and Mrs. Wilson, No. 408 East Grace Street.

Owing to the absence of the president, Mrs. D. G. Wilson, had charge of the affair, and the program was highly enjoyable and was highly appreciated. The meeting was opened with prayer by Mr. Robert W. Watkins, of the college, and the program was as follows:

Piano solo, Miss Lillian Tombs. Reading, temperance article, by Mrs. S. L. Cole. Duet, by Misses Edna Morgan and Ethel Collier.

Solo, by Mrs. Tyler. Duet, by the Misses Gillman. Then followed an intermission for a few minutes for a general mix-up and refreshments. Refreshments were then served. The program was again resumed, with a solo and piano accompaniment by Mrs. Tyler and Miss Taylor. Mrs. Tyler again sang a pretty selection, after which Mrs. S. L. Cole recited a stirring temperance piece.

A rising vote of thanks was then tendered to Mrs. Wilson for their kindness to the "Y" during the past season for the privilege of holding receptions in their home. Many new members were enrolled.

JAMESTOWN STAMPS IN DEMAND. Forelanders Have Heard of Them and Want to Buy Them.

Postmaster Cabell has received a large number of orders for Jamestown Exposition special stamps from foreign countries. He has filled orders from England, Scotland, Ireland, France, Germany and Italy. Some of these orders are being comparatively speaking, amounting to \$1, \$2, \$3 and up to \$5.

Yesterday he received an order for several dollars' worth of stamps from London, and for the payment there was included a check on the Southern Industrial Bank of this city. The order has not yet been filled.

CURE BY CUTICURA COMPLETE AND SPEEDY

"My little son, when about a year and a half old began to have sores come out on his face. I had a physician treat him, but the sores grew worse. Then they began to come on his arms, then on other parts of his body, and then one came on his chest, worse than the others. Then I called another physician. He said he had never seen anything like it. He said it was a case of eczema, and that he would try Cuticura. I bought a box of Cuticura and used it. The sores were all well. He has never had any more of any kind since. He is now strong and healthy, and can play like any other child. I used only one cake of Soap and about three boxes of Ointment. Mrs. John H. Southall, P. O. No. 1, Woodville, Conn., April 22, 1905."

NINETY DAYS FOR FORGER.

Charles Mackin Wanted to Obtain More Whiskey.

Charles E. Mackin (white) appeared yesterday in the Norfolk County Jail on the charge of having forged an order on a whiskey house in the city for forty-five cents. He was found guilty and sentenced to serve ninety days in jail.

The evidence in the case showed that Mackin had been on a spree for a week or more and that he forged the order to obtain more whiskey. He claimed that he was drunk at the time and did not know what he was doing.

CHARGED WITH FORGERY.

James B. Dabney Alleged to Have Forged the Note.

James B. Dabney, a young white man about twenty years of age, was in the Police Court yesterday morning charged with having forged a note amounting to \$42 on Frank Bonaldi, the check, it is alleged, being a forgery of the name of his father. Owing to the absence of the young man, the case was postponed until May 25th.

Mr. A. Bierre Blair, of the Blair-Ruehl Glass Works, has been notified that the next session of the Glass Manufacturers' Association will be held here in due largely to the efforts of Mr. Blair.

Next Convention to Be Held Here in the Fall.

GLASSMAKERS HERE.

Clerks Meloney and Dean in "Land of the Sky."

Mr. H. T. Meloney, clerk of the United States Circuit Court of Appeals, has gone to Asheville, N. C., to attend the May term of the court. He was accompanied by Deputy Clerk C. M. Dean. The court will probably be in session here longer. The term will be held in the city in mid-summer. There was an effort to have the mid-summer term held in Norfolk, but the kind invitation of the Norfolk people was politely declined by the judges. Richmond is good enough for them, even in a tercentennial year.

REUNION REVENUES.

The Great Gathering Enhances Business at Post Office.

Just to show how a great thing scatters its influence in every direction it may be mentioned that the Convention of the Richmond Post Office has been a success. The receipts of the Richmond post-office have been a success. One Richmond firm has bought advertising matter that never would have been issued but for the reunion—indeed, there which have been a great success. This is but one drop in the bucket.

Miss Cary Not Ill.

The friends of Miss Lizzie, daughter of C. C. Cary, will be glad to learn that the announcement of her illness is incorrect. She had a slight operation on her leg, but will be back at her home from St. Luke's Hospital to-day, the treatment having proved entirely successful.

AS TO RHEUMATISM.

A well-defined case of rheumatism is generally recognized by medical men as one of the most difficult problems with which they have to deal. It has been found, however, by the experience of able physicians that much benefit results from putting the sufferer from rheumatism under the following treatment: Before each meal there is a glass composed of 2 1/2 grains Sodium Bicarbonate, 3 grains Salicylic Acid and 1 minim Wine of Colchicum. This is to be followed immediately by a glass of water. After each meal a preparation of 1/4 oz. Fluid Extract of Buchu, 1 dram Fluid Extract of Horse Nettle, 1 oz. Anise Cordial, and 1/4 oz. Fluid Extract of Liverwort and 1/4 oz. water. The treatment, continued for a month, is said to give most gratifying results, even in unusually stubborn cases. The prescriptions given above any good druggist can compound.

W. L. Douglas, of Brookline, Mass., has gotten out a very unique and attractive souvenir for distribution during the Confederate Reunion. The souvenir consists of a large celluloid button on which appears two Confederate flags, one of which is a small advertisement of Battle-Ax Shoes and the wording, "Compliments of the Stephen Putney Shoe Company, Richmond, Va., May 25, June 3, 1907." Attached to the button by a small ring is a full-length portrait of a man in a military uniform, regularly made with a spring trigger, making it in a sense a "real, live cannon."
